DOLCE VITA is breathtaking and remarkable gulet in Croatia! It has all you can imagine. It was constructed in one of the best Turkish boatyards, and they had one thought in their mind – luxury. It is 34 meters long, and it has five cabins from which three are master ones. With its spacious private rooms, toilets, and elegant saloon, this gulet will make you feel like royalty! Outdoors have followed the same pattern. Eight meters beam back side hides a luxury dining area, surrounded by a cushioned sitting area. If you prefer more intimate moments, you can disjoin the table in two.

After lunch, you will enjoy lying down on soft mattresses behind the table while the crew serves you your favorite drinks. The front side is eye pleasant as well! There is a large sunbathing area that can be covered with sun awe and an intimate sitting area with a coffee table. We find it the best spot to experience beautiful moments while feeling the breeze in your hair and enjoying gorgeous sceneries while sailing around the Adriatic coast! The best part of the gulet is the outdoor Jacuzzi, adding to hedonism you deserve during your stay!
