About M/Y Donna Del Mare

Donna Del Mare holds a unique place in Croatian yachting history as the first true super yacht to sail the Adriatic Sea. Fully owned and managed by Gulet Croatia, she represents more than two decades of hands-on experience, innovation, and uncompromising standards. Among hundreds of gulets and yachts operated over the years, Donna Del Mare stands as the company's undisputed flagship and crown jewel, trusted by countless returning guests.

Unlike many charter yachts operated by rotating crews, Donna Del Mare is family-run, combining personal dedication with professional excellence. Built in Greece in 2009 and introduced to the Adriatic in 2015, she has undergone continuous upgrades and refits year after year, evolving far beyond her original form. Under the guidance of Captain Peter, a veteran of over 30 years in Adriatic navigation, the yacht has been refined to near perfection—technically, aesthetically, and operationally.
